U.S. Probation Officer Action:

On August 31, 2015, the offender had an adjustment session with Supervising United States Probation Officer Kevin J. Mullens regarding his positive drug tests. He was offered substance abuse counseling, which he declined. The offender was adamant that he did not use drugs. The offender has been warned that a third positive urine sample would result in Court action and we will continue with increased urine specimen collection for monitoring of ongoing substance use.
